Mr. Anthony T. Pascoe,
State Commissioner,
93 Brinkman St.,
Buffalo, N. Y.

Dear Sir:

Your letter of July 2nd received. In it you asked if The Eagles could come to Buffalo this season to play baseball. Would you kindly send me the terms and arrangements under which these games are handled? Would we play a local team, or is it necessary to bring another Negro National League Team.

Will appreciate hearing from you right away, and will try and arrange to come to Buffalo if terms are satisfactory.

Very truly yours,
